Dear Parents,

Our annual school Athletics Carnival will be held on Friday 23 March 2012 at Beaton Park Leisure Centre Gwynneville, if weather permits. Parents are most welcome to attend and we value the help of those parents who would also be available to support the organisation and running of events.

Students will placed in age group (age the child turns that year) and supervised by teachers and parent volunteers.

On the day children may wear their house colours or sports uniform. They will need a packed lunch, plenty of water, hat and sun-cream. The canteen will be opened at Beaton Park and the children may go to the canteen to purchase snacks, preferably not lunch, under the supervision of parents and teachers.

Transport to the Athletics Carnival will be by a shuttle bus service and children will be transported to Beaton Park in the following groupings:
- Age groups 8 years to 12 years meet under the primary COLA at 8:15pm
- Age groups 5 years to 7 years will depart from the K-2 playground after 9:00am.

Please complete the attached permission note and forward it to school with payment of $10.00 by Friday 16 March 2012. We look forward to another successful Athletics Carnival where all students actively participate.

In the event of wet weather please listen to either i98FM or 96.5Wave FM for any cancellation announcements.
